

Ebuytement DogCon

O'Fantashog

❖ Agenda No. 1

- Axshog suggests agenda: each dog rates the spicyness of their prepped agendas on a scale of 1-10
 - Tonda seconds
- Chief Dog III suggests agenda: Chief wants to hear why Tonda emoted a 10 on my statement
 - Mr. Lego Log seconds
- 4 – 4 tie; Judgment tiebreaks in favor of Chief Dog

- So Chief hooped a ledge statement to begin the DogCon and Tonda decided to call the hoop with a 10 emote then deleted it 10 seconds after? Coincidence or was it some collusion?
 - Tonda responds “No :eleven: emoji, so i was gonna hoop :keycap_ten: :heavy_plus_sign: :one: but thought it was too confusing so i backed aus”
 - Chief responds “Sure, dog sure. I rest”

❖ Agenda No. 2

- Mr. Lego Log suggests agenda: Figure out if that's* already goin down
 - Demi D. seconds
- Shograz suggests agenda: END DOGCON
 - Bank Dog seconds
- 7 – 1; Lego wins

❖ Lego says, “The request Tonda made is pretty ledge, but jesog, I'm also interested in DEMI' D'S question. Is that already goin down?????? Bank Dog, WT??”

- Bank responds, “I'm typing up a summary of the minutes per my obligations as a Secretarial Duty.”
- Tonda chimes that “The answer to the question is NUT”
- Lego rests.

* - “That” refers to Tonda’s suggested agenda “Let’s have Bank save a transcript of the DogOnline records after it ends for consistency”

❖ Agenda No. 3

- Demi D. suggests agenda: Let's talk about emojis the foost
 - Tonda seconds
- MAESTER PROLOG suggests agenda: Let’s randomly choose a dog at this dogconline and every time they try to hoop an agenda let’s laugh them off and brick their agenda
 - Shograz seconds
- 5 – 3; Demi D./emojis wins

❖ Demi D. says, “Ok jesog NF dogs so Bank Dog was talking some buyge hoop on his secretary power earlier. I really wanted to drop a Sec of Secs emoji on him like Chief’s stamp. But it was a brick :blobsad:. So yeah I think every department should get an emoji. Add some GRAVITAS to the sitch.”

- Tonda says “seems reasonable enough to me.” Demi rests.

❖ **Agenda No. 4**

- **Lego suggests agenda: Walt Disblade's Enchanted Tiki Room**
 - **Demi D. seconds**
- **Axshog suggests agenda: Install a moby scanner on the S. S. AUSSER**
 - **Shograz seconds**
- **6 – 1; Axshog/Moby scanner wins**

❖ **Axshog says, “NF ! sweat FOOSTING o’monstro dogs. I’ve had this agenda for a while, but now at this exact dogcon is the LEAST GHETTO TIME to talk about changing the way monstro works slightly.”**

- **“Why is this the least ghetto time?”**
- **Axshog says, “closest time to when dodged monstro legitlly ghetto to NERF HIM before he rolls nf. IF a nerf is even the sitch. MY IDEA is with a moby scanner instead of him appearing and swallowing us, after the vote and we all got hooped on the new year, he appears on the moby scanner. Right now, every year there is a chance and we don’t know the sitch until the vote is revealed so its basically a pump fake as it is now.”**
 - **“Right now, the worlds appear, we get hyped on them...talk the big shog all season, get all the hoop going. Then right after the results are read we get blindsided, which has SOME hoop to it, getting kended aus of nowhere. But I’m wondering if there isn’t a buyger system that is slightly less ‘feel bad’”**

❖ **Discussion: Is it senseless to get hooped/dehooped on Monstro? When should the scanner alert us to Monstro? What are these mechanics for how Monstro appears? Does a Dogmass year get sworded? Do we resume to the year after Monstro is over? Does Monstro appear at the Lift Aus or at the beginning of CountDawn?**

- ❖ **Axshog suggests to change up Monstro format to include some kind of DCF “game” or a Moby Scanner to give the Dog Club more agency before O’Monstro pops**
 - **Axshog pushes for a vote to CHANGE MONSTRO vs. LEAVE IT AS IT CURRENTLY IS**
 - **5 – 2; Change Monstro wins**

- Axshog pushes for a vote of Lift Aus reveal vs. DC New Year reveal
 - 5 – 2; Lift Aus reveal wins
- Tonda pushes for a vote to decide what goes down when Monstro is revealed? Year of O'Monstro starts immediately, Darkness starts immediately, current year continues
 - 5 – 2 – 1 – 0: Year of O'Monstro starts immediately wins; followed by Darkness, then abstain, then no votes for current year continues.
- What to do about the first Blast Aus post-O'Monstro? Skip first Blast Aus, Hoop it as Blast/Brick Aus and it can liberate you, hoop it as Blast/Brick without no chance of leaving Monstro?
 - 5 – 3 – 0 – 1; Hoop the same but with no chance wins over Hoop it with a chance to liberate and 1 vote to abstain
- Axshog proposes a vote: vote to change the name of the first blast aus of o'monstro to the brick aus – yes or no?
 - 7 – 2; Change to Brick Aus wins
- WILL THERE BE DARKNESS DURING THE YEAR OF O'MONSTRO? NF or Nut?
 - 5 – 2 – 2; NUT wins; 2 abstain and 2 NF
- WT with the seasons during o'monstro? Keep them the same minus Darkness vs. new monstro only seasons vs. no seasons
 - 7 – 3; Keep them the same wins; new monstro only season with 3 votes
- KEEP OR REMOVE DC NEW YEAR FROM CALENDER FOR O'MONSTRO?
 - 10 – 0; cut the DC New Year wins
- What to do with 1/20-1/22 year of O'Monstro? Extend countdown or R!OTFEST?
 - 6 – 3 – 1; Extended R!OTFEST wins; 3 votes for CountDawn
- WT are the odds for Monstro? Change odds, same odds, or Ghetto game to determine odds?
 - 6 – 4; Ghetto game wins with 4 votes to change odds
- Axshog rests.
